

Radiance Innovative Services (RIS) is a premier human service company specializing in domestic violence services. Radiance offers a cutting edge and culturally competent curriculum servicing; a diverse population. Radiance is one of a few DV programs in the State of Connecticut offering Spanish and Asian speaking services. Of the individuals who participate in our domestic violence program, a strong majority complete the program and avoid future arrests for domestic violence related incidents.

Radiance offers a variety of DV services working with both the offenders and their partners.

Radiance DV Offenders Group consists of 90 minute weekly sessions for 24 weeks. As part of Radiance DV Offenders Program, there is a designated person who serves as the victim liaison.

We understand that our clients have busy schedules and therefore we offer flexible hours including weeknights and weekends.

Domestic Violence Highlights:

- Credentialed DV Offender Assessment
- Flexible DV Group Hours
- Spanish/Asian Speaking DV Services

*Inspiring New
Possibilities*

DV Intimate Partner Program is designed to help clients gain insight about the impact of overwhelming life experience without the stigma. The primary task of Domestic Violence intervention is to work with the client in validating her experience, increasing awareness, emphasizing safety and providing information about resources. The goal is not to get the client to leave her partner, or to “fix” the client, but to provide support and information.

*Radiance DV Services is based on three major components:
cultural competency,
therapeutic relationship and
accountability.*
